

Delighted Mug Rugs

Mug rugs this round will have several variations.

For the first one, select 4 different fabrics for the strips and then a different fabric for the larger square.

Cut a 2 1/2 inch strip from the 4 fabrics. Sew them together as shown in the picture above and then lay on the side. I then cut the unit into a 4 1/2 inch wide x 8 1/2.

I then sewed a 6 1/2 x 8 1/2 rectangle to the strip set as shown above.

I quilted it and bound it as done in my previous Mug Rug tutorial.

Finished 10 1/2 x 8 1/2

The other style will have more of a strip look and a bit smaller size

Select 4 fabrics for the strips on the front. From left to right, the strips are cut $3\frac{1}{2}$, $2\frac{1}{2}$, 2 and $2\frac{1}{2}$

I sewed them together and then cut the unit to $7\frac{1}{2}$ x $8\frac{1}{2}$

I quilted it and bound it as mentioned above.

Hope you enjoy these projects!

$2\frac{1}{2}$, 2, $2\frac{1}{2}$, $3\frac{1}{2}$ - finished $7\frac{1}{2}$ x $8\frac{1}{2}$
